

OrderDynamics Press Release

OrderDynamics Introduces Infinitely Simple eCommerce

Toronto, ON (PRWEB) November 3rd 2008 – OrderDynamics Corporation, Canada's leading on-demand eCommerce solution provider, is excited to announce our Infinitely Simple eCommerce solution designed to reduce complexities and increase profitability for the online merchant.

Since 2006, OrderDynamics has provided enterprise class on-demand eCommerce solutions for online merchants throughout the United States and Canada over its on-demand software platform. Focusing on tight integration between eCommerce order processing and fulfillment, while maintaining autonomy of store design and branding, OrderDynamics has delivered revolutionary software that meet the needs of the most sophisticated online retailer.

"Our success comes from our high-touch customer service approach and cutting edge software and hosting technology." Michael Benadiba, CEO and founder of OrderDynamics Corporation. "Today we are unveiling what was previously a very well kept secret in the eCommerce industry."

About OrderDynamics Corporation

OrderDynamics Corporation is a privately held company that provides turn-key eCommerce solutions to businesses looking to grow their online sales solutions. The success of OrderDynamics is highly attributed to its response to real Client requirements and Dynamic Merchandising concepts which provide superior control and help drive revenue. The OrderDynamics solution is designed for online merchants, and services different business such as retail, manufacturing, business-to-business, complex online retail, and more.
